

Harmonium

Harmony • Innovation • Solace • Unification

Our mission is to inspire and encourage organizations to create harmonious mental health solutions.

These two curves represent two halves. Your emotional side and your physical body. Your workplace and your home.

The band bringing the two curves together represents Harmonium. Our platform exists to help you bridge the gap, bringing alignment and resolution to the division you experience in your day-to-day life.

Harmonium Purple - Purple is representative of peace, intuitiveness, creativity, and higher states of consciousness.

Harmonium Lavender - Lavender enhances tranquility and calmness in your mind while also cultivating feelings of serenity.

Harmonium Periwinkle - Periwinkle evokes feelings of faithfulness, trust, and comfort.

Harmonium Blue - Blue is a symbol of trustworthiness and empathy. It is also associated with freedom and inspiration.

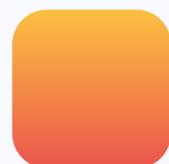

Harmonium Mauve - Mauve evokes feelings of purity and renewal.

Harmonium White - White is a symbol of lightness and openness, a Tabula Rasa of sorts.

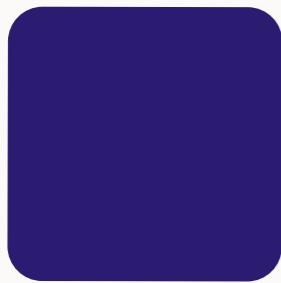

Harmonium Orange - Orange can be intense and invigorating, stimulating the senses and capturing the eye.

Harmonium Gradient - Gradients can add a sense of depth to an image. Vibrant orange to a Spanish Orange is energizing.

Harmonium Sage - Sage brings a sense of the natural world to give balance.
